Our Factory is modernized enterprise having world-advanced manufacturing facilities, integrating professional design, production and sales of various kinds of office furniture. Since the founding of the factory, we have been stressing research of manufacturing techniques and innovation of design concepts for modern medium and high-grade office furniture. We positively advocate national furniture culture, and we integrate in international furniture trends, and use endless creativity in designing and manufacturing a great many elegantly-shaped and trend-leading new products, adding

endless joy to today's high efficiency office life. Besides, through strict production management and service consciousness training, the whole staff has formed the scientific value view of caring for people, taking factory as home, striving for sincerity and value creating, which motivates the best potential of every employee to keep team spirit, to strive for constant self-surpassing, to create first-class achievements in work and to have first-class service attitude. Therefore, our products are selling well not only in different places of China, but also in the world.

The factory is ready to keep excellent partnership with old and new customers, to make unremitting efforts for mutual brilliance together.
